Bradenton, Florida 34210

*"You have truly been a godsend. I really appreciate these amazing updates... It sure sounds like you're driving great solutions to the many issues he's running into. It really makes a difference when he's working with an expert in all these topics vs. with family members who have our own biases!"*

*- Kim, daughter living in Ohio*

# Our Care Team

## **MELISSA LEEDOM, CPA** Chief Executive Officer

Secure Aging is a care management company focusing on senior care management and senior advocacy. CEO Melissa Leedom is a Certified Public Accountant and has a Masters of Business Administration degree from Drexel University. She has worked at PriceWaterhouseCoopers and The Vanguard Group where she held various executive leadership positions in Finance, Accounting, Strategy, and Risk and Compliance.

In early 2019, Melissa joined the Secure Aging team. Eventually, she and several sibling owners acquired the business. Melissa is passionate about community-focused businesses and especially protecting our seniors from financial abuse and mistreatment.

## **CYNTHIA PALMIERI, CMC** Aging Life Care Specialist

Cynthia has over 25 years as a case manager with the Florida Department of Children & Families, Adult Protective Services in Manatee County. After acquiring her bachelor of arts degree in political science from the University of South Florida, she continued taking additional master level courses in gerontology.

She joined Secure Aging in 2005 as a case management specialist and in 2007 received her national care manager certification. In 2009, Cynthia received her geriatric care manager certification.

## **JANA HAMEED, RN** Senior Care Manager/ Healthcare Advocate

As a Registered Nurse with over 20 years in the industry, and joint owner of Secure Aging, Jana Hameed serves as Senior Care Manager/Healthcare Advocate. Jana obtained her first baccalaureate degree in Health Science at Lock Haven University, Lock Haven, Pennsylvania.

This was followed by a bachelor's degree in Nursing at Adelphi University in Garden City, New York. After moving to Florida in 2007, Jana worked as a Medical-Surgical RN at Sarasota Memorial Hospital. She later joined Tidewell as a hospice nurse. For the past five years she has worked as a home health nurse, caring for patients within many assisted living facilities across the Sarasota and Venice areas.

## **LAURA C. ROBERTS** Care Manager

Laura joined Secure Aging in 2012 to work as a Care Manager. She has a passion for wanting to help seniors and their families. Laura was the primary hands on caregiver and coordinator for her grandparents, in-laws, and mother and knows firsthand the challenges families face with the aging process. She has her Associate of Arts degree from Broward Community College and has further studies from Indiana University.
